***Celebrate your child's birthday with WSR unique Scalextric Party.
Our birthday party package will ensure your child's celebration is
truly memorable and at a price you'll find competitive!***

Wirral Slotcar racing is offering an exciting birthday party activity for children that parents can join in too!

Kids parties can be for any age but we find 7 years and above is best, (we have done them for as young as 5 years old so please contact us if you have any questions) We can lower the power of the cars and add extra magnets to the cars to make them much easier to use.

We use computer software to run the races, which give you lap times down to the 1000th of a second just like in Real F1 racing, as well as keeping position of racers, distance between cars, fastest lap, MPH and total laps completed.

Book a Party

Tell us what date you would like so we can confirm availability. We will require a provisional number of Children for the party and a deposit to confirm booking.

Our Slotcar Party Package includes 1 hour 40 minutes of slotcar racing and 20 minutes in the party area for a hot and cold buffet.

How do we race?

You can race in team challenges and individuals championships. Our organised tournaments are fantastic fun for all the family.

There are 4 heats to each round, taking it turns to race in all 4 lanes making racing results fair for everyone.

Races are run at a fast pace, keeping your little racers entertained at all times.

Racers take it in turns to Marshal the next race after their race is over.
